HONORING ASSEMBLYWOMAN
PATTY BERG CALIFORNIA STATE
ASSEMBLY, DISTRICT 1

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 29, 2008

Mr. THOMPSON of California. Madam Speaker, I rise today to recognize State Assemblywoman Patty Berg, an extraordinary citizen of Humboldt County, who is being honored for her years of dedicated public service to the people of California.

Over the past 3 decades, Assemblywoman Berg has been a tireless advocate for families and children and for older adults. She was the founding Executive Director of the Area 1 Agency on Aging, which serves Humboldt and Del Norte Counties. Under her passionate direction the agency was recognized nationwide for its model comprehensive system providing services to California's seniors. She has also become an indispensable resource on aging issues within the State Assembly.

The citizens of California's 1st Assembly District recognized Patty Berg's dedication to preparing California for its current and future challenges by electing her three times to represent them in the California Legislature. During her tenure, Patty has chaired the Committee on Aging and Long-Term Care, the Joint Committee on Fisheries and Aquaculture, and the Budget Subcommittee on Health and Human Services. She has served on many committees with jurisdiction over important public policy areas, including health, insurance, agriculture, and the environment. Patty's exceptional "people" skills were evident in bringing together progressive and conservative colleagues to help improve the lives of North Coast residents. She is passionate, committed to public service, hard-working, and extremely skilled.

As a champion for the rights of families, youth, and older adults, Assemblywoman Berg has touched many lives. Her K-12 comprehensive family life education curriculum was the first in California and was distributed throughout the country. She increased funding for computers and technology in our local schools. As chair of the Legislative Women's Caucus she emphasized the need for flexible workplace policies to allow working families to care for their loved ones. Due to her relentless efforts, Trinity County's only hospital was saved, and a vital county medical services program was preserved.

Assemblywoman Berg is being honored for her contribution to one of our Nation's most

precious rights—participation in the political process. She is being recognized for her contribution by the Humboldt County Democratic Central Committee as "Democrat of the Year, 2008."

Madam Speaker, it is appropriate at this time that we recognize Assemblywoman Patty Berg for her unwavering commitment to public service and to the ideals and values that sustain our great Nation.

EARMARK DECLARATION

HON. CHRISTOPHER H. SMITH

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, September 29, 2008

Mr. SMITH of New Jersey. Madam Speaker, I submit the following:

Requesting Member: Rep. CHRISTOPHER H. SMITH

Bill Number: HR 2638

Account: Federal Emergency Management Agency's Pre-Disaster Mitigation

Legal Name of Requesting Entity: City of Trenton

Address of Requesting Entity: City of Trenton

Description of Request:

The City of Trenton will use the \$500,000 in Pre-Disaster Mitigation funding in the FY 2009 Homeland Security Appropriations Bill to begin elevating the utilities of 270 flood prone properties that have suffered severe and repetitive physical damage resulting in significant economic loss.

Trenton's Island and Glen Afton neighborhoods are greatly affected by rapidly rising flood water as a result of their proximity to the Delaware River. These two neighborhoods are bordered by the Delaware River to the southwest and the Delaware and Raritan Canal to the northwest. Route 29 (a four lane state highway that traverses the City) splits the two neighborhoods; causing an island-like geography.

These waterfront communities are home to approximately 270 structures, many of which are occupied by single family working class homeowners who have suffered great financial loss as a result of: water damaged electrical distribution systems, hot water heaters and central heating units, as well as the loss of personal items that can never be replaced.

Six historical river crests (occurring from the earlier part of the 20th century until present) have caused considerable property damage and interrupted sewer, electric and gas services, causing the evacuation of these neighborhoods. Although these neighborhoods are designated as a 100 year flood plain, the last two floods occurred within seven months of each other (September 2004 and April 2005). Just as the Island and Glen Afton residents saw their lives getting back to some semblance of normalcy, the second flood occurred, resulting in lost wages, belongings, property, major systems and complete dislocation.

One major contributing factor to the early flooding is the storm sewer outfall, which provides an early entry point for water to backflow into the lower points of the Island and Glen Afton neighborhoods via the storm sewer system during early flood stages. However, once the river reaches two feet above flood stage,
